

Your Community Needs YOU

vasa

CHANGING LIVES by CONNECTING PEOPLE

Volunteer Community Transport Service

Do you live in these areas:
Shipston, The Stour Valley or Stratford District?

You could volunteer some of your time in order to help others. Using your own car (45p mileage costs paid), you take people who need our service to medical appointments, lunch clubs, groups, activities and to visit families and friends in hospital or care homes.

You can choose when you want to do a journey to fit in with your life.

How about...

- taking someone to an appointment on your way to work?
- delivering a food parcel on your way home?

You are the key enabling people to live their lives fully.

We need more volunteer drivers!

We need YOU!

If this sounds interesting, we'd love to hear from you.

Contact us:

Email: hello@vasa.org.uk

Tel: 01789 262889

Website: www.vasa.org.uk

Feel valued because you know you're making a difference helping deliver a vital service to people in your local community

VOLUNTEERING

Shipston Link is always interested in hearing from potential volunteer drivers to join our enthusiastic team driving for Service Runs and or Private Hire.

If you have a full driving licence and have a D1 (mini-bus) endorsement, or are eligible to apply for one, please get in touch with us.

There is plenty of training and ongoing support if you drive with The Shipston Link; it would be not an onerous a commitment, many of our drivers might only drive twice a month, usually on the same Route as part of a small sub-team, with colleagues always happy to consider swaps if a particular date doesn't suit.

Those interested in Private Hire, often to Country Gardens, Shopping Trips or countryside Tours, may also be interested in the occasional late-night element, such as wedding Receptions.

Because we pride ourselves in giving our passengers confidence by being a professional organisation, we do require our drivers to achieve an externally accredited MiDAS Certificate before taking the wheel with fare paying passengers on board.

We achieve this by giving any new driver – vehicle, legislative, driving style and route familiarisation, with a few trips over a number of weeks before mutually agreeing to go forward for a MiDAS Training Day, held normally every 6 months or so, at our expense.

The MiDAS Certificate is interchangeable between any (Section 19 & Section 22) Community Transport operators and is valid for 4 years after which a Refresher is required.

To register your interest in joining us as a Volunteer Driver please contact

recruitment@shipstonlink.co.uk

We look forward to hearing from you.
